

FINANCIAL GIVING INFORMATION
CEF of Illinois, Inc. Can Now Receive Financial Donations
Through Credit or Debit Cards

The CEF of Illinois, Inc. State Office is now set up through our bank to receive and process donations through credit or debit cards. We simply wanted to offer to our supporters another way for them to give, if this is what you would like to do.

We can accept **ALL credit or debit cards** and can also set them up, if you desire, for either a special one time gift or a monthly giving option. If you are interested in making a donation through credit/debit cards, please check the below box with your contact information and our financial bookkeeper will call you to set this up over the phone.

NOTE: We do not desire to have you send your credit/debit card information through the mail, for your protection. After we complete your financial transaction, all credit card information obtained will be shredded, as we do not want to keep credit/debit card information here at our office, again for protection.

Thank you so much for your heart for this ministry and your support through the years!
If you have any questions, please call our CEF of Illinois, Inc. State Office at 309-688-9699.

Yes, I want CEF of Illinois, Inc. to contact me for a credit/debit card financial gift information.
Our phone number is _____ Please call (morning/afternoon/evenings).
